

Relevant Council Documents are available on request from Cardinia Shire council or on the council website.

It is important for you as a ratepayer to look at the information provided if you want to understand how the Council allocates revenue, what priorities are set in the Four Year Plan and how rates are calculated.

Attending a council meeting now and then is also informative for ratepayers.

Ask your local Councillor for assistance with any of the above matters.

Showing an interest in Council management activities is vital for accountability and transparency.
